Welcome to Wonder Makers!

Dear Families--

I am so excited to ponder the Scriptures and prepare for Mass with you. Each week, there will be a video that you can watch where we will go through the Gospel reading for the upcoming Sunday and then take some time to wonder about it together. This video can be viewed anytime before Sunday.

Use this guide to help you dive a little deeper with reflection questions and activities to do during the week. I pray it blesses you and helps you get your heart ready for Jesus.

Watch the Video and...

READ IT!

Gather, pray, and read the Sunday Gospel together.

PONDER IT!

Wonder about what Jesus is saying to us.

SPOT IT!

Learn about a Mass part and look for it on Sunday.

LIVE IT!

Check out the weekly activity guide for more ideas of how to live out the Gospel.

READ IT! Luke 24:13–35

If you have a Bible, use the guide provided under "Going Deeper" to find the passage in your own Bible.

PONDER IT!

1. Set the scene. What details do you notice in the first verse? Who, what, where?
2. How do you think these friends of Jesus were feeling in that time?
3. As they were on their way to Emmaus, who shows up? Do these friends notice who it is right away?
4. What did Jesus and these two friends talk about?
5. When did these friends notice that they were talking with Jesus?
6. I wonder if "breaking the bread" is important...
7. I wonder if there are times when something is just really hard to believe...
8. I wonder what we can do when these moments happen... I wonder if there are times when we miss seeing Jesus when he is here with us....
9. I wonder how we can share our encounters with Jesus with other people this week?

LIVE IT!

This week, let's live out this Gospel passage by trying to notice Jesus around us—in our moms and dads, brothers and sisters, friends and family that we may talk to on the phone and computer.

Step 2:

Find book of the Bible.

Step 3:

Locate chapter of passage. Look for "CHAPTER 1" ... "CHAPTER 2"...

Step 4:

Find verse(s). These numbers are very small and are usually at the start of a sentence.
